SUBJECT: AN/PAC-1 INFRARED WALKIE-TALKIE

1. A telephone call was made to Mr. C. S. Woodside in BUSHIPS, Code 853, telephone number 131-65720, this date in inquiry concerning the availability of the AN/PAC-1.

2. Mr. Woodside stated that this equipment is now in production and that the first production deliveries are expected around April 1, 1953. However there have been a number of delays in the past, and he indicated that they were not planning too strong on this delivery date.

3. It was suggested that if this Agency were interested in obtaining two models of this equipment that the request be directed to BUSHIPS Code 884 and that it be coordinated with Code 853.

4. It is suggested that a requisition be issued to obtain two (2) AN/PAC-1 equipments (two are necessary for one commo link) for test and evaluation.
